

**New York State Immunization Information System  
Regional User Group Meetings  
Spring 2012  
INVITATION**

You are invited to participate in one of the NYSIIS Spring 2012  
Regional User Group Meetings.

The day will start with the whole group attending three sessions, which will include a NYSIIS update, an overview of upcoming enhancements to the immunization scheduler and a brief Vaccine for Children (VFC) presentation, which includes time for questions and answers.

Following the plenary sessions, there will be three concurrent breakout sessions designed to focus on issues specific to the following Users:

- Session 1 - Manual Entry Users (practices who data enter information directly into NYSIIS)
- Session 2 - Data Exchange Users (practices who feed information to NYSIIS automatically from an EMR or other electronic office system)
- Session 3 - Local Health Department Staff Only

**When registering for the meeting, please select the appropriate break out session you would like to attend.** To register, click the following link: <http://www.zoomerang.com/Survey/WEB22EHCEBJVVU>

Note: **This is not formal user training** but rather an opportunity to update current users on implementation and enhancement activities, share some tips and tricks for using specific features, and provide a forum for new and veteran users to discuss successes and challenges. Please see the attached agenda.
